

Copper décor set for Refrigerators

Collezione Metalli

901538

The Copper option is plated with real metal and polished to a high shine that will stay looking beautiful for years to come. Thanks to the tough special treatment, the set is protected from the knocks and spills of kitchen life. Each element is Copper-plated with real metal, which adds a luxurious facet to the timeless design details of your Bertazzoni Heritage Series appliances. Available for your cooker, hood and refrigerator.

The Collezione Metalli for the Bertazzoni Heritage Series is available in three finishes: Gold, Copper and Black Nickel. Each finish comes in two sets that you can buy with your appliance or at a later date. They are simple to install at home, with no special tools. For more details, watch our tutorial video below.

This set contains 6 x handle finials in Copper.
