

Gold décor set for Refrigerators, Dishwashers and Hoods

Collezione Metalli

901673

The Gold option is plated with real metal and finished to a high shine with a special treatment to protect it from the wear and tear of kitchen life. As a result, each element will continue to look perfect for many years to come. The Gold-plated finish highlights the elegant design details of your Bertazzoni Heritage Series appliances – from the control knobs of your range to the finials on the door handles of the refrigerator.

The Collezione Metalli for the Bertazzoni Heritage Series is available in three finishes: Gold, Copper and Black Nickel. Each finish comes in two sets that you can buy with your appliance or at a later date. They are simple to install at home, with no special tools. For more details, watch our tutorial video below.

This set contains 2 x handle finials in Gold.
