

60 cm single door refrigerator H177cm Heritage Series

LRD603UBNPVC/20

Bertazzoni built-in refrigerators are designed, engineered with the highest grade materials and components. These refrigerators integrate seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

This single door refrigerator are designed to fit seamlessly into any kitchen configuration due to the door on door installation and its reversible door.

The internal configuration is designed for maximum flexibility thanks to its 294L capacity. This refrigerator has 4 shelves, a wine rack, 1 regular crisper + 1 crisper equipped with humidity controller. Interior LED lighting on top and sides provide bright interior illumination on all levels with minimal energy consumption. Its intuitive touch display allows temperature setting, "Super Cooling" and "Economy" function activation.
