

120 cm 6-burners+griddle, electric double oven Master Series

MAS1206GMFEDXT

The super-wide 120cm electric range cooker is an uncompromising statement of power and prestige in your kitchen.

The hob has a stainless steel electric teppan-yaki griddle and six versatile gas burners in brass including a dual-ring power burner.

The two electric 11-function ovens give great flexibility to your cooking and they feature a thermometer on control panel.

Triple-glazed oven doors feature soft motion hinges and anti-slam closing system, and also minimise heat loss 

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.

Spécifications

Features
